

LEAGUES HUB

FICA has conducted a comprehensive review of all major domestic leagues globally to develop the leagues hub. The hub is designed to better inform players, agents and players' association, raise professionalism, and improve the consistency and treatment of players in domestic leagues.

WHICH LEAGUES ARE COVERED

The Leagues Hub covers the major men's and women's domestic leagues and those covered by the ICC's Approved/Disapproved Cricket list.

If you believe there are leagues not included that should be, or any of the information provided should be updated, please contact info@thefica.com.

HOW TO USE

League information can be found by using the map or via the table. Further detail is provided in the click through information pack for each league.

REPORT A LATE/NON PAYMENT ISSUE

If you or your member / client have outstanding domestic league late/non-payment issues, please email info@thefica.com.
