

PLAYER HUB

The FICA Player Hub provides every professional cricketer affiliated to FICA or a FICA member players' association with free access to customised online courses and educational resources relating to their cricket career and personal wellbeing.

WHAT COURSES ARE AVAILABLE?

Courses are designed by industry experts and include player input from around the cricketing world sharing their insights on a particular topic.

The FICA Player Hub courses and resources include:

PROFESSIONAL CRICKET CAREER

Career Transitions

Managing Injury

Social Media for Pro Cricketers

Life on Tour

Playing for a New Team

Respecting Differences

MENTAL HEALTH

Introduction to Mental Health

Self-Concept

Stress Management

RESOURCES CONTENT

FICA Updates

Online Courses

Anti-Doping

Anti-Corruption

HOW DOES IT WORK?

Course duration varies but each module generally takes about 30mins to complete.

You can complete courses over an extended period of time – each time you log in, you can simply continue where you left off.

FICA will continue to grow the course catalogue and add to the range of topics that are available to players.

HOW TO ACCESS THE PLAYER HUB

If you would like to register an account, please consult your Player Development Manager or contact JP van Wyk at jp@saca.org.za.

The platform is desktop and mobile compatible.
